

### School-Based Health Center Capital Program

On May 15, 2012 the U.S. Department of Health and Human Services Health Resources & Services Administration announced the availability of funding for the School-Based Health Center Capital Program. The purpose of this program is to address significant and pressing capital needs to improve delivery and support expansion of services at school-based health centers. Applicants must demonstrate how their proposal will lead to improvements in access to health services for children at a school-based health center. ***The application deadline is June 26, 2012.***

For this funding opportunity, an eligible applicant must be a school-based health center or a sponsoring facility of a school-based health center as defined in section 4101(a)(6) of the Affordable Care Act, as set forth in section 2110(c)(9) of the Social Security Act (42 USC 1397jj(c)(9)).
